

Prospect Elementary School Tuesdays 3:30-4:15

Girls in Motion is a dance-based weekly afterschool program that emphasizes movement, collaboration, body positivity, athleticism, and fun.

This year at Prospect Elementary School, Girls in Motion will be a part of the America Counts afterschool program on **Tuesdays from 3:30-4:15**. Prospect students outside of the America Counts program are welcome and encouraged to come! If your child is not a part of America Counts, please pick them up at 4:15. Otherwise, your child will return to the care of America Counts tutors. If Oberlin City Public Schools or afterschool programs are cancelled for inclement weather or other reasons, Girls in Motion will also not be happening. **The first class of the year will be Tuesday September 22nd.**
